Dear Alumni:

Daphne Baseball has served you proudly in the years since you helped build this elite program. You have always been able to tell people that you played at Daphne and year in and year out, we keep producing a quality team and preparing young men like yourself for life after high school baseball.

We are in the process of upgrading our facility and are looking for alumni support to help with the project. The project is an extension of the indoor cage that will serve as a pitching facility as well as a junior varsity locker room. This is a much needed addition and will help the program in the future.

We would like to create an alumni recognition area in the facility to give current players an opportunity to see the many that helped build Daphne Baseball. We would like to place an 8/10 photo (preferably of you while playing at Daphne) on the wall with a caption of the years of service and notable accomplishments to Daphne Baseball. There will be a minimum donation of \$100 that will go directly to the building fund. It is our hope that those more fortunate will be more generous because the project will take an estimated \$40,000.

The alumni wall will be set up when the building fund is complete and the project is finished. We will collect donations and pictures and save them. You will be responsible for the picture as well as the caption. We will also set up an alumni section on our website as your pictures arrive. www.daphnebaseball.com.

Our goal is to continue to build a program that not only develops players today but also recognizes those of the past. Please consider our proposal and help support a great tradition that is Daphne Baseball.

Pictures can be mailed to the school in care of Joe Hutchins or e-mailed to jhutchins@bcbe.org

All donations should be sent to Joe Hutchins and made out to Daphne Baseball.
